1. Prior to 5 April 1951, an infantry unit of about 300 men equipped with many submachine guns was located in a five-story former school building, about 50 meters long, at Ostrov (Schlackenwerth) (N 51/K 70). The unit had moved in during December 1950.
2. Prior to mid-January 1951, a three-story barracks building, about 100 meters long was in Chuderice (Kutterschitz - N 51/F 23), opposite a training ground. Eight solid-tired guns were stored in the barracks yard. Riding and draught-horses were also kept in the area. *
3. The PS (Border Guard) headquarters at 63 Masarykova ulice in Teplice Lazne (N 51/F 34), where source was supposed to report every three days after being released from jail, was staffed with troops wearing red cuffs and equipped with several passenger cars and motorcycles of various types, which were stored in the courtyard. An infantry unit, equipped with rifles, submachine guns and light machine guns, was located in a three-story building at the corner of Masarykova and Vrchlicky ulice.
4. PS (Border Guard) billets were observed in Cinvald (Zinnwald) (N 51/F 25), Fojtovice (Voitsdorf - N 51/F 35), Moldava (Moldau - N 51/F 15), and Flaje (Fleish - N 51/F 14).
5. A barracks installation of multi-story buildings, surrounded by a barbed-wire fence 2 meters high, was observed in Chuderice prior to mid-January 1951. According to some soldiers, it quartered an infantry and an artillery unit. It also housed about 20 armored vehicles equipped with guns with muzzle brakes. The vehicles were frequently observed in and around the barracks area. *
6. According to source's friends, PS (Border Guard) billets were located in Cakmantl (Zuckmantel) (N 51/F 24), Behanky (Pihanken - N 51/F 24), Dubi (Eichwald - N 51/F 24), Moldava, and Hora Sv. Kateriny.
